

**p.10**DNV unveils its
Triality VLCC
concept

Features

Innovations

DNV steps on the gas with new VLCC design

LNG is the fuel of the future, at least according to DNV. The classification society has developed a radical new VLCC design called the Triality VLCC that will be able to operate using LNG

**p. 10**

Offshore Wind

Grassroots support for offshore wind

Grassroots movements like the Chesapeake Climate Action Network are building support for offshore wind on the state level

p. 17

Marine Salvage

Gearing up for new salvage and firefighting regulations

The U.S. Coast Guard's long awaited Salvage and firefighting regulations go into effect next month

p.23

U.S. Shipbuilding

LCS contracts signal change in Navy thinking

The Navy finally awarded LCS contract to both the Lockheed Martin and Austal teams
