In this issue

(8 articles)

Article

The occurrence of *Acartia* species and their environmental characteristics at three ports in Korea

Jung-Hoon Kang

[Download PDF](#) (1187KB)

Pages 219-237

Article

Cochlodinium polykrikoides red tide detection in the South Sea of Korea using spectral classification of MODIS data

Young Baek Son, Joji Ishizaka, Jong-Chul Jeong, Hyun-Choel Kim...

[Download PDF](#) (2672KB)

Pages 239-263

Article

Picocyanobacterial abundances and diversity in surface water of the northwestern Pacific Ocean

Dong Han Choi, Jae Hoon Noh, Mi-Seon Hahm, Charity Mijin Lee

[Download PDF](#) (601KB)

Pages 265-271

Article

Tidal transport through the Tsugaru Strait — part I: Characteristics of the major tidal flow and its residual current

Quang-Hung Luu, Kosuke Ito, Yoichi Ishikawa, Toshiyuki Awaji

[Download PDF](#) (1666KB)

Pages 273-288

Article

Contents and stable isotopic compositions of organic carbon and total nitrogen in the surface sediment of two coastal bays in Korea

Sangmin Hyun, Taehee Lee, Seom-Kyu Jung

[Download PDF](#) (671KB)

Pages 289-297

Article

Investigating the effectiveness of the surfactant dioctyl sodium sulfosuccinate to disperse oil in a changing marine environment

David A. Steffy, Alfred C. Nichols, George Kiplagat

[Download PDF](#) (469KB)

Pages 299-305

Note

Temporal occurrence patterns and habitat use of fish in the Mangyeong estuary on the western coast of Korea in 2003, before dike enclosure

Sun Wan Hwang, Tae Won Lee, Hak Bin Hwang, Sun Do Hwang

[Download PDF](#) (532KB)

Pages 307-314

Note

New polychaete records from seagrass beds at Minicoy Island, Lakshadweep, India

V. Dalia Susan, N. G. K. Pillai, P. Satheeshkumar

[Download PDF](#) (550KB)

Pages 315-321
